## Nail Art Gets a Diamond Upgrade: Images Luxury Nail Lounge is Home of the Most Expensive Mani-Pedi

LOS ANGELES, Sept. 15, 2016 /PRNewswire/ -- Images Luxury Nail Lounge's Glitz & Glamiculture is the most expensive (and exclusive) mani-pedi experience in the country. Now available at any of the nail haven's four luxury locations in the Orange County, California area, the Glitz & Glamiculture includes head-to-toe salon services, GIA-certified diamond nail designs, and more glamorous perks, all washed down with the finest champagne, of course.

"This is truly an A-list service," says Tony Nguyen, general manager for Images Luxury Nail Lounge. "We close the salon to the public, focusing all of our attention on pampering and primping the client. Whether preparing for a walk down the red carpet or any other big event, we ensure the client leaves looking fabulous and feeling totally rejuvenated and relaxed."

With prices starting at \$10,000 and soaring above \$25,000, the Glitz & Glamiculture is completely disrupting consumers' previous conceptions of what a "luxury" manicure may entail. The private experience includes an hour-long massage, a rejuvenating facial using the only the most extravagant products, celebrity hair styling and makeup, a choice of either eyelash extensions or waxing/threading, deluxe champagne and imported French pastries, and finally, a personal jeweler to help select the proper diamonds to accent each client's custom mani-pedi.

While the Glitz & Glamiculture may be the pinnacle of high-end mani-pedi experiences, Images Luxury Nail Lounge also offers several more modest services as well. Its Luxury Mani-Pedi Menu also includes the Gold Rush Manicure and the

Haute Couture Manicure, both priced below \$10,000. Additionally, Images' elite nail technicians and estheticians provide a bevy of more accessible salon services at much smaller price points.
