The OC-MANicure and \$25,000 Manicure

Like its name suggests, Images Luxury Nail Salon--in Newport Beach and two locations in Irvine--offers extravagant services like its \$25,000 manicure, but it's also a great place for a deluxe mani/pedi that will leave you feeling relaxed, pampered and your nails will look great for a reasonable price. They also just debuted a new more masculine menu: the OC MAN-icure Menu, Orange County's first (and only) mani-pedi services created specifically for men.

Images Luxury Nails Salon offers a luxuriously relaxing environment to make men feel at ease and its new menu offers all of the traditional manicure and pedicure services, like cuticle trimming, buffing, and filing, to ensure men look their best from head to toe. After skin exfoliation and a hot oil treatment, men can indulge in a hand and foot massage (hot-stone optional) or a smoothing callus treatment.

The ultra special occasion \$25,000 manicure was created for those looking for the ultimate private experience. The entire salon will be closed for the "Glitz & Glamicure" package that includes a personal consultation to choose a GIA graded diamond that will be incorporated in the manicure; a luxury manicure and pedicure with a one hour massage; Images celebrity makeover (professional hair styling and makeup artist); rejuvenating luxury facial using premium products; choice of eyelash extensions or waxing. To top it off, you'll enjoy complimentary Champagne and French pastries.
