## **\$25,000 Manicure! What!**

I am sitting here in sort of a trance!  
I just read this article on Refinery29 about a \$25,000 manicure. Well maybe it's a little more than just a manicure. For that price you could have the whole salon to yourself for a day!

Now I'm thinking, that better be some real good pampering, don't you think.

Head on over to Refinery29 to get the scoop!

So what are your thoughts on a \$25,000 manicure?
