Images Luxury Nail Lounge in Irvine

One of my favorite things to do with my mom is to get our nails done together. We have gone to many nail salons over the years, and Images Luxury Nail Lounge is clearly one of the best salons we have even gone to together. I have always loved to get my nails done, and Images was the perfect place for me.

Images have a huge selection of nail polish for people to choose from. Even though there were so many nail polish colors to pick, I choose to have a standard French manicure. Most nail salons have a pretty big selection of gel nail polish but do not have all of them which is so frustrating for my mom. Images had all of their gel nail polishes which made it easy for my mom to pick a color for her nails.

Images have one of my favorite nail polish brands, Essie, and that is one of the main reasons why I love this salon. Essie is a safe nail polish for little ones to use so if you bring your daughter with you then I recommend having her select an Essie color. While I got a French manicure on my fingers, I couldn't resist having an Essie color painted on my toes.

The best part of selecting Images to have your nails done is that the polish lasts longer than any other salon. My nails stayed perfect for almost an entire two weeks (with no gel) and my Mom still has perfect gel over a month later.

I would highly recommend going to Images for your next trip to the nail salon. It is a kid friendly nail salon, luxurious and you'll leave with beautiful nails.
