## **This Luxurious Gold-Encrusted Diamond Manicure Costs \$25,000**

This luxurious diamond manicure was created by Images Luxury Nail Lounge, which is a salon located in California. This lavish manicure called the 'Haute Couture Manicure' can cost between \$500 and \$25,000. Each manicure uses up to 20 diamonds and the process includes a mineral bath, a massage and the polish. The nail polish used costs about \$100,000 and the gold diamond flakes are 24 carats.

The price of this diamond manicure might sound outrageous to some people but the price is very reflective of the experience. Each guest is provided a private room, is served imported treats and is essentially treated like royalty.

Customers who purchase the Haute Couture Manicure also receive a complimentary facial, threading and eye lash extensions. Luxury Nail Lounge provides numerous salon treatments including these high-end manicures.
